Information Collection Requirement

TSA is seeking to renew its OMB control number, 1652-0003, Aircraft Operator Security. TSA has implemented aircraft operator security standards at 49 CFR part 1544 which require each aircraft operator to which this part applies to adopt and implement a security program. As part of these security programs, affected aircraft operators are required to maintain and update, as necessary, records of compliance with the security program provisions outlined in 49 CFR part 1544. This regulation also requires affected aircraft operators to make their security programs and associated records available for inspection by TSA to ensure transportation security and regulatory compliance. Under this regulation, aircraft operators must ensure that flight crew members and employees with unescorted access authority or who perform screening functions (1) submit to a criminal history records check (CHRC); (2) conduct the CHRC; and (3) require the individual to provide identifying information, including fingerprints. The collection requirements associated with aircraft operator security programs remain critical in the aftermath of the terrorist attacks of September 11, 2001. The current estimated annual reporting burden for approximately 66 respondent air carriers is 34,320 hours.

Revision of Effective Date for Direct Mail Program for Submitting Form N-400, Application for Naturalization; Withdrawal of Notice

AGENCY: U.S. Citizenship and Immigration Services, DHS.

ACTION: Withdrawal of Notice.

SUMMARY: On September 12, 2008, U.S. Citizenship and Immigration Services (USCIS) published a notice in the **Federal Register** revising the Direct Mail Program for the filing of Form N-400, Application for Naturalization. The Notice announced that in certain instances Form N-400 would be filed at a USCIS lockbox facility rather than at the USCIS Service Center. The Notice was to take effect on October 14, 2008. USCIS has decided to delay implementation while technical issues are resolved. Accordingly, the Notice published on September 12, 2008, at 73 FR 53034 is withdrawn. Applicants should continue to file their Form N-400 according to the instructions on the form.

DATES: The Notice published on September 12, 2008, at 73 FR 53034 is withdrawn as of October 10, 2008.

FOR FURTHER INFORMATION, CONTACT: Kathleen Stanley, Chief, Lockbox Operations Division, Office of the Chief Financial Officer, U.S. Citizenship and Immigration Services, Department of Homeland Security, 20 Massachusetts Avenue, NW., 4th Floor, Washington, DC 20529, Telephone (202) 272-1969.

Background

On September 12, 2008, USCIS published a Notice in the **Federal Register** at 73 FR 53034 that announced revisions to its Direct Mail Program so that certain filings of Form N-400, Application for Naturalization, would be filed at a designated lockbox facility instead of a USCIS Service Center.

USCIS is delaying the implementation of this revision to the Direct Mail Program while technical issues are resolved. Until further notice, applicants should submit their Form N-400 according to the instructions on the form. The current filing instructions can also be viewed on the USCIS Web site at <http://www.uscis.gov>.

When the technical issues are resolved, USCIS will publish a new

Notice in the **Federal Register** to advise the public on the revisions to the filing instructions.

The **Federal Register** Notice also announced that if you are the spouse of an active member of the Armed Forces, you should file your Form N-400 at the Nebraska Service Center (NSC), whether you are filing from within the U.S. or abroad. Although the Notice is withdrawn, active members of the Armed Forces should continue to file their Form N-400 at the NSC. This is consistent with the current instructions on the Form N-400.

You can find general eligibility requirements for naturalization at our Web site (<http://www.uscis.gov>). You can also download "A Guide to Naturalization (Form M-476)," which provides information on the benefits and responsibilities of citizenship, an overview of the naturalization process, and eligibility requirements.
