

REMINDER! USE THE NEW FORM G-28

Avoid submitting the wrong form!

We remind you to begin using the new G-28, Notice of Entry of Appearance as Attorney or Accredited Representative now! On **May 18, 2015**, we will no longer accept earlier versions of the G-28. If a customer submits an immigration application with an old version of Form G-28, we will not accept the G-28. In this situation, we will accept the application (if it meets our criteria) and will send all notices and secure documents to the customer. The new Form G-28 has an **edition date of 03/04/2015**.

The new G-28 form offers more options and convenience. We added two boxes where customers can choose to have notices and secure documents sent directly to them, or to their legal representative.

Please work with your clients to adopt the new and improved G-28 now. We want to avoid situations where a client who is represented inadvertently submits an old G-28 and we have to reject it.

**Download the new G-28 at
www.uscis.gov/g-28.**
