**Subject:** USCIS Vermont Service Center Update -- New RFE Color

Dear VSC Stakeholder,

Please be advised that due to changes in processing within the Vermont Service Center (VSC), Requests for Evidence (RFEs) issued by the VSC will no longer be printed on yellow stock paper, but as of July 6, 2015, will instead be printed on white paper. As always, this document needs to be returned to the VSC with any evidence submitted in response to the request.

Please address any questions regarding this change to [VSCCommunityEngagement@uscis.dhs.gov](mailto:VSCCommunityEngagement@uscis.dhs.gov).
