Change of Filing Location for Form I-600 and I 600A

WASHINGTON—U.S. Citizenship and Immigration Services (USCIS) today announced a new address for prospective adoptive parents to submit Form I-600, *Petition to Classify Orphan as an Immediate Relative*, and Form I-600A, *Application for Advance Processing of Orphan Petition*. While the change takes affect today, applicants have a 30-day transistion period before USCIS will return incorrectly filed petitions.

Applicants were previously required to file at a local USCIS field office. The Direct Mail Program allows USCIS to process applications more efficiently by eliminating duplicative work, and maximizing staff productivity.

Beginning today, applicants in the United States, who are filing to adopt an orphan, must submit Forms I-600, I-600A, and all supporting documents and fees to the following address:

USCIS P.O. Box 299027 Lewisville, TX 75029	USCIS ATTN: Adoption 2501 S. State Hwy. 121 Business, Suite 400 Lewisville, TX 75067

USCIS will forward incorrectly-filed Forms I-600A and I-600, application fees and supporting documents to the Lewisville, Texas facility for the 30 days, until Friday November 6, 2009. Forwarded applications will be considered properly filed when received at the Lewisville, Texas facility.

Beginning Monday November 9, USCIS will return to the applicant any Form I-600 or I-600A, and supporting documents, incorrectly submitted to a USCIS office in the United States. The applicant will be instructed to mail the application to the Lewisville, Texas address. However, applicants may continue to file extensions of approved Forms I-600A at their local USCIS field office. More information is available on the revised form instructions.

Prospective adoptive parents, who reside abroad, may continue to file the Form I-600A with a USCIS international office, or they may send the petition to the Lewisville, Texas address if they have an address in the United States they plan to return to.

U.S. citizens outside the United States may continue to file the Form I-600 at a U.S. Embassy, U.S. Consulate or USCIS office abroad that has jurisdiction to accept the petition. However, in order to file a

Form I-600 petition abroad, the petitioner must have an approved Form I-600A and be physically present in the country where they are filing.

The I-600A and I-600 form instructions have been updated to reflect the new filing locations. They are be available at www.uscis.gov/forms. The forms are also available by calling the National Customer Service Center at 1-800-375-5283.
