

B. SSA Computer Matches Subject to the Privacy Act

We have taken action to ensure that all of our computer matching programs comply with the requirements of the Privacy Act, as amended.

Dawn S. Wiggins,

Acting Executive Director, Office of Privacy and Disclosure, Office of the General Counsel.

Notice of Computer Matching Program, SSA with the Department of Veterans Affairs (VA), Veterans Benefits Administration (VBA).

A. Participating Agencies

SSA and VA/VBA.

B. Purpose of the Matching Program

The purpose of this matching program is to establish the conditions under which VA will disclose VA compensation and pension payment data to us. This disclosure will provide us with information necessary to verify an individual's self-certification of eligibility for the Extra Help with Medicare Prescription Drug Plan Costs program (Extra Help). It will also enable us to identify individuals who may qualify for Extra Help.

C. Authority for Conducting the Matching Program

The legal authority for VA to disclose information under this agreement is 42 U.S.C. 1383(f) of the Social Security Act (Act). The legal authority for us to conduct this computer matching program is 1860D-14(a)(3) (42 U.S.C. 1395w-114), and 1144(a)(1) and (b)(1) (42 U.S.C. 1320b-14) of the Act.

D. Categories of Records and Persons Covered by the Matching Program

1. Systems of Records

VA will provide us with electronic files containing compensation and pension payment data from its system of records (SOR) entitled "Compensation, Pension, Education, and Vocational Rehabilitation and Employment Records-VA" (58VA21/22/28), published at 74 FR 29275 (last amended April 27, 2010). Routine use 20 for VA permits the disclosure of this information.

We will match the VA data with data in our Medicare Database (MDB), SOR 60-0321, last published at 71 FR 42159 (July 25, 2006).

2. Number of Records

VA's data file will consist of approximately 4.9 million electronic records and VA will transmit it monthly. Our comparison file contains approximately 65 million records obtained from the MDB. The number of

people who apply for Extra Help determines in part the number of records matched.

3. Specified Data Elements

We will conduct the match using the Social Security number, name, date of birth, and VA claim number on both the VA file and the MDB.

4. Frequency of Matching

VA will furnish us with an electronic file containing VA compensation and pension payment data monthly. The actual matching will take place approximately during the first week of every month.

E. Inclusive Dates of the Matching Program

The effective date of this matching program is October 2, 2012, provided that the following notice periods have lapsed: 30 days after publication of this notice in the **Federal Register** and 40 days after notice of the matching program is sent to Congress and OMB. The matching program will continue for 18 months from the effective date and may be extended for an additional 12 months thereafter, if certain conditions are met.

DEPARTMENT OF TRANSPORTATION

Office of the Secretary

Notice of Applications for Certificates of Public Convenience and Necessity and Foreign Air Carrier Permits Filed Under Subpart B (Formerly Subpart Q) During the Week Ending August 18, 2012

The following Applications for Certificates of Public Convenience and Necessity and Foreign Air Carrier Permits were filed under Subpart B (formerly Subpart Q) of the Department of Transportation's Procedural Regulations (See 14 CFR 301.201 *et seq.*). The due date for Answers, Conforming Applications, or Motions to Modify Scope are set forth below for each application. Following the Answer period DOT may process the application by expedited procedures. Such procedures may consist of the adoption of a show-cause order, a tentative order, or in appropriate cases a final order without further proceedings.

Docket Number: DOT-OST-2012-0138.
