USCIS Revises Direct Mail Program for the Application for Naturalization (Form N-400)

WASHINGTON—U.S. Citizenship and Immigration Services (USCIS) announced today that it is revising the Direct Mail Program for the Application for Naturalization ([Form N-400](#)). The notice of this addition is effective on Jan. 22, 2009, and is published in today's [Federal Register](#). The notice advises the public to file non-military N-400s with the appropriate Lockbox facilities and provides a 30-day transition period after the effective date for USCIS service centers to forward N-400 applications received at their facilities to the appropriate Lockbox location.

Applicants should continue to file military N-400 cases with the [Nebraska Service Center](#) (NSC). In order to assist military spouses, NSC will also accept and process N-400s filed by spouses of military members.

Effective Jan. 22, 2009, applicants must submit Form N-400 and related supplements to one of two new USCIS Lockbox facilities for initial processing, using the following addresses:
