Subject: USCIS Publishes Revised Form N-470

On February 11, 2013, USCIS published a revised [Form N-470, Application to Preserve Residence for Naturalization Purposes](#), with an edition date of 1/03/2013. USCIS will accept older editions for 60 days. Beginning April 12, 2013, USCIS will only accept the 1/03/2013 edition.

There is now a single filing address for this form. Customers filing Form N-470 must now mail them to the Dallas Lockbox facility. The new centralized filing location will streamline intake functions, enhancing customer service and improving operational efficiency.

Please visit the new [USCIS Form Improvements Initiative Web page](#) to learn more about our continued efforts to centralize filing locations at the USCIS Lockbox facilities, other form improvements, and recently published and upcoming forms.
