DHS Statement on Safety and Enforcement During the 2020 Wildfire Season

On July 2, the Department of Homeland Security (DHS) issued the following statement on Safety and Enforcement During the 2020 Wildfire Season:

U.S. Immigration and Customs Enforcement (ICE) and U.S. Customs and Border Protection (CBP) are concerned about the potential impact of the 2020 wildfire season to western and southwestern portions of the United States, including the current wildfires in Arizona, Colorado, Utah, and Nevada. Our highest priority remains the preservation of life and safety. In consideration of these circumstances, there will be no immigration enforcement initiatives associated with evacuations or sheltering related to the wildfires, except in the event of a serious public safety threat.
