## USCIS Engagement: Deferred Enforced Departure for Hong Kong

**Thursday, July 13, 2023 | 2-3 p.m. Eastern**

U.S. Citizenship and Immigration Services invites you to participate in an engagement on Deferred Enforced Departure (DED) for eligible residents of Hong Kong on **Thursday, July 13**, from **2 to 3 p.m. Eastern**.

On Jan. 26, 2023, President Biden issued a [Memorandum on Extending and Expanding Eligibility for Deferred Enforced Departure for Certain Hong Kong Residents](#) to the secretaries of state and homeland security. This memorandum defers through Feb. 5, 2025, the removal of any Hong Kong national, or person without nationality who last habitually resided in Hong Kong, who was present in the United States on Jan. 26, 2023, and has continuously resided here since then, unless the

individual falls within one of the exceptions. In addition, the memorandum also directs USCIS to take measures to authorize employment eligibility for eligible residents of Hong Kong.

During this engagement, USCIS will provide an overview of the extension and expansion of DED for eligible residents of Hong Kong. We will then hold a question-and-answer session. We will not address case-specific questions, questions outside the scope of the engagement, or issues under active litigation.
