Dear Stakeholder,

We would like to inform you that a revised Form I-129F, Petition for Alien Fiancé(e) is now available for use. The form was revised to clarify language in some areas of the document and convert it from two columns to a single column format.

USCIS has also added new data fields for passport or travel document information captured by the U.S. Customs and Border Protection (CBP) at a port of entry. CBP is in the process of automating Form I-94 Arrival/Departure Records to streamline passenger processing. This information will allow USCIS to verify status as part of the adjudication of Form I-129F.

Applicants may begin using the revised [Form I-129F, Petition for Alien Fiancé\(e\)](#) today. Applicants may continue to use other previously accepted versions (Rev. 6/22/12) Y, (Rev. 6/14/10) Y, and (Rev. 2/19/10) Y until September 16, 2013 at which point no previous versions will be accepted.

Kind Regards,  
USCIS Public Engagement Division
