Update on Temporary Protected Status for El Salvador (Release: Aug. 12, 2026)

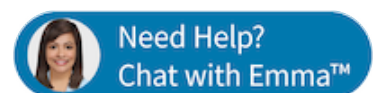

The Temporary Protected Status (TPS) designation of El Salvador and related benefits are set to terminate on Sept. 9, 2026. USCIS is sending notices to El Salvador TPS recipients who continue to be eligible for TPS but haven't received renewal EADs with category codes A-12 or C-19 and whose TPS-based EAD application is still pending, that their expired TPS-based EADs are extended until Sept. 9, 2026, the end of the El Salvador TPS designation.

SAVE will verify if an alien has received an approval for TPS that has not been withdrawn using information from any TPS-related document, such as a Form I-797, Approval Notice, or Form I-797C, Notice of Action or Notice of Continued Evidence of Work Authorization, or TPS beneficiaries will receive a SAVE response of:

- “Temporary Protected Status – Employment Authorized - Temp Emp Auth”; and
- The employment authorized through date will be the Employment Authorization Document (EAD) expiration date of “Sept. 9, 2026”

User agencies should check the USCIS [TPS El Salvador](#) webpage regularly for updates. You may also subscribe to regular updates for SAVE using [Granicus Communications](#).
