Update on Termination of Temporary Protected Status for Haiti (Release: July 10, 2026)

This guidance supersedes the [SAVE Termination of TPS for Haiti](#) message posted on July 1, 2026.

The TPS designation of Haiti and related benefits was set to terminate on Feb. 3, 2026. However, on Feb. 2, 2026, the U.S. District Court for the District of Columbia issued an order staying the TPS Haiti termination. *Miot et al. v. Trump et al.*, No. 25-cv-02471-ACR (D.D.C.).

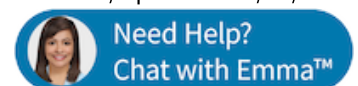

TPS Haiti beneficiaries will keep their status and employment authorization, and their documentation will remain valid per the above court order. Forms I-766, Employment Authorization Documents, (EADs) with category A12 or C19 remain valid and are extended. The extension is limited relief until the lower courts align with the U.S. Supreme Court's favorable decision in *Mullin v. Doe*, 609 U.S. ____ (2026), issued on June 25, 2026. Refer to the EAD Extension dropdown on the [TPS Haiti](#) webpage for EAD expiration dates that are extended pending the resolution of the litigation.

SAVE will verify if an alien has received an approval for TPS that has not been withdrawn using information from any TPS-related document, such as a Form I-797, Approval Notice, or Form I-797C, Notice of Action. TPS beneficiaries will receive a SAVE manual response of:

- "Temporary Protected Status – Employment Authorized - Temp Emp Auth";
- The employment authorized through date will be the Employment Authorization Document (EAD) expiration date of "**July 24, 2026**"; and
- DHS Comments "TPS and employment authorization are extended per court order. Please check the USCIS [TPS Haiti](#) webpage regularly for updates."

As this matter is in active litigation, the status of the individual's TPS and employment authorization is dependent on developments in the litigation. User agencies should therefore check the USCIS [TPS Haiti](#) webpage regularly for updates. You may also subscribe to regular updates for SAVE using [Granicus Communications](#).
