E-Verify Records Scheduled for Disposal – Deadline Extended

Release Date: January 2, 2026

E-Verify employers now have until **Jan. 22, 2026**, to download records for E-Verify cases last updated on or before Dec. 31, 2015. On Jan. 23, 2026, USCIS will dispose of these E-Verify records that are more than 10 years old.

Program administrators can download the Historical Records Report to retain information about these E-Verify cases. The case data includes basic company information as well as case identifiers and case resolution information.

Employers who have not already done so must record the E-Verify case verification number on each corresponding Form I-9, Employment Eligibility Verification, or attach a copy of the case details page to the Form I-9. Employers should retain the Historical Records Report with the Forms I-9.

To learn more, please see the E-Verify Records Retention and Disposal Fact Sheet and the instructions for downloading the Historical Records report.
