2026 AILA Spring CLE Conference and Webcast: Government Relations Update

Join us for the 2026 AILA Spring CLE Conference and Webcast to get an insider's view of what is happening at the government agencies. This conference provides a unique opportunity to hear from liaison committee leadership as well as representatives of the administration. Speakers will discuss the latest regulatory and policy initiatives affecting your practice and clients. Come learn about current trends, issues in agency adjudications, and potential future changes.

Viewing Options: All registrants will be given a link to the entire set of conference recordings, so any sessions missed can be revisited later (particularly helpful for our West Coast participants given the time difference).
